1.1. These terms and conditions have been produced to ensure that all users of UCS Active are assured of an enjoyable experience on each and every one of their visits. Whilst detailed in their nature, together with the membership documentation they constitute the Club Rules and support the UCS Active Management Team's aim to provide an extremely high standard of customer care and service. Memberships may only become active on receipt of the appropriate membership fee. Once a membership application form has been signed, applicants are deemed to have accepted and be bound by the following terms and conditions:

A joining fee of £100 is payable per MEMBERSHIP. A MEMBERSHIP must have a Head Member, defined as the member with primary payment responsibilities for the Membership. A Membership may have of multiple linked members who belong to an appropriate member category (e.g. Under 5, Junior, Teen, Adult, Senior or Student) who, whilst being individual members in their own right, fall under the Membership of the Head Member for promotional, financial or debt collection purposes.

2.6.1 Where Memberships have multiple members (a maximum of six members on any one membership), only ONE joining fee is charged upon joining.

2.6.2 Where benefits or promotions are applied to Memberships, only ONE benefit or promotion will be applied per MEMBERSHIP.

2.7. **"Member"**. A person accepted into membership of the Club, either as Head Member or as a Secondary Member.

2.7.1 The HEAD member will have financial responsibility for all membership payments and any debts accrued against the membership. Requests for amendments, cancellations, suspensions and any other communication regarding the membership must be sent by the HEAD MEMBER.

2.7.2 Where the membership is a Direct Debit membership, the bank account provided to us from which to collect the Membership Fees must be in the name of the HEAD MEMBER.

2.8. **"Membership Fee".** A non-refundable fee payable annually in advance, or in monthly instalments by direct debit, or by any other means agreed in advance with the Club.

3. Membership:

3.1. **Duration:** When you join the Club you are agreeing to remain a member for a Commitment Period. For administrative reasons this period covers the pro-rata membership period (as described in 2.7.2 above) plus the first Direct Debit payment period (as described in 2.7.1). (Example: if a member joins on the 1st January, their Commitment Period would run from 1st January to 14th March. If a member joins on the 30th January, their Commitment Period runs from 30th January to 14th March). This commitment period is a core term of membership. If paying by monthly direct debit, your membership will continue automatically after the Commitment Period.

3.2. **Termination:** You may terminate your membership of the club by (in writing via email) e-mailing the Memberships Manager, giving the Club at least one months' notice. Your cancellation request will be actioned within one calendar month of receiving the request, however, due to the date of the Debit payments detailed in section 2.7.1 above, all cancellations take effect as of the 15th of the month. (Example: if a member emails to cancel their membership on 27th January, the Membership Manager has until 27th February to action the cancellation request, and the cancellation would come into effect on 15th March). **Notice:** You must give written notice of termination of your membership. Verbal cancellation requests will be rejected. Cancelling your Direct Debit instruction for the payment of fees does not constitute a cancellation request. The Club may also terminate your membership after the expiry of the Commitment Period (as defined in Section 3.1) by giving you at least one month's notice (unless a shorter period of notice is permitted under these terms or the Club Rules). We may however terminate your membership immediately if:

- 3.2.1. you, or your guests , commit a serious or repeated breach of these terms or the Club's Rules and, in particular, if you do not adhere to the safe and proper use of the Club's equipment or facilities as instructed by our staff or in Club notices;
- 3.2.2. the behaviour or conduct of you, or your guests , is reasonably deemed by the Club to be improper or likely to endanger the welfare, safety, harmony or good reputation of the Club;
- 3.2.3. any part of your membership fee remains unpaid 30 days after its due date;
- 3.2.4. you provide us with materially false or misleading details when applying for membership;
- 3.2.5. you misuse your UCS Active membership card.
- 3.2.6. If we terminate your membership for any of these reasons (or you terminate without giving the due notice period), you will remain liable to pay the membership fees for the due notice period and, if applicable, the remainder of any unexpired Commitment Period.
- 3.2.7. You may terminate your membership immediately on giving written notice to the Club under the following circumstances:
 - 3.2.7.1. if we commit a serious or repeated breach of these terms;
 - 3.2.7.2. or on the grounds of the unavailability of facilities where the unavailable facilities comprise either a substantial part of any particular facilities or a substantial part of the Club's overall facilities.
 - 3.2.7.3. In either case, such unavailability must have a material adverse effect on your use of the Club and the whole or greater part of the affected facilities must be available for at least 20 days in any period of 60 days (or at least 60 days in any period of 365 days). If the unavailability is less than this (in effect, time or extent) then you may be entitled to compensation, but not to terminate your membership.
 - 3.2.7.4. If you terminate your membership in these circumstances, you will be entitled to an appropriate refund of membership fees paid in advance and/or compensation as a matter of law.
- 3.2.8. The Club may (also in its reasonable discretion) agree to terminate your membership if you suffer a medical condition which has a substantial and long term adverse effect on your ability to continue with your usual usage of the Club facilities. The Club may require reasonable evidence of your medical condition, such as a doctor's certificate.
- 3.2.8.1 It is the member's responsibility to keep the club updated of any changes to the condition of their health, or to their fit-to-work status, that may impact upon their or other's usage of the facilities.
- 3.2.9. Joining fees are not refundable on termination of membership under any circumstances.
- 3.3. **Membership Categories:** The Club offers different categories of membership. Your choice of category on joining will determine the fees you pay and any restrictions that may apply to your use of the Club facilities. You may change to any other available membership category, providing you

meet the requirements of that category, by giving one month's notice to the Club in writing (except you cannot downgrade your membership category during the Commitment Period). The Club may require a minimum age for junior membership. If the Club permits a junior to join independent of an adult member, this will be subject to (a) the relevant membership fees for the Commitment Period being paid in advance or (b) a parent or guardian providing a suitable guarantee for the payment of monthly membership fees.

3.3.1 Platinum Members are entitled to one complimentary towel per person per visit.

3.3.1.1 At the club's discretion, and where available towel stocks allow, Platinum Members may request a maximum of 2 towels, per person, per visit.

3.4. Joint Membership: Joint members are restricted to the Primary member's spouse/partner, their dependant children living at the same address and a nanny/carer of such dependant children. If the spouse/partner of the Primary member is or becomes a Joint member of the Primary member he/she will be a Joint Partner member. Joint Partner members have all the rights and obligations of other adult Joint members. On a Joint membership, if one member suspends or cancels their membership the Partner's membership reverts to the Individual rate. Adult Joint members are full members of the Club and must observe these membership terms in full. Should an existing Joint member succeed a Primary member they will assume all the rights and obligations of the previous Primary member, including as to fees.

3.5. Membership Card: You will be issued with a UCS Active membership card, which will be personal to you and remain the property of the Club and you must return it to the Club on your membership coming to an end. You must present your membership card to the Club reception on each visit before using the facilities and report any loss of your card to the Club immediately. Any misuse of your membership card may lead us to terminating your Club membership immediately.

3.5.1. Membership cards are not transferable and must only be used by the member to whom they are assigned.

3.6. Acceptance and Entry: Acceptance as a member is at the Club's absolute discretion. The Club reserves the right to prevent entry of any person whose membership has been cancelled or suspended under these terms.

3.7. Membership Suspension: During your membership, the club may agree to suspend your membership for a maximum of 3 months across a twelve month period. All suspension requests must be received in writing, giving one month's notice in advance of the suspension start date.

3.7.1. Suspensions on Direct Debit Memberships must run for complete months. Suspensions on Annual Memberships can run by week or by month, but cannot exceed the 3 month maximum.

3.7.2. Any suspension during the Commitment Period will extend the length of the Commitment Period by the length of the period your membership is put on hold.

3.7.3. Outside of your Commitment Period the Club may (in its reasonable discretion) permit your membership to be put on hold for reasonable cause.

- 3.7.4. We will permit more than one suspension in any 12 month period except where the suspension request exceeds the 3 month maximum.
- 3.7.5. Notice to terminate membership cannot run concurrently with a suspension period. Memberships must resume for at least one debit run before they can be cancelled.
- 3.7.6. In exceptional circumstances (e.g. prolonged injury) the club may, at its discretion, extend a suspension beyond the three month maximum, provided a request is made in writing giving one month's notice in advance, and any proof requested is provided.
- 3.7.7. All Suspensions must have an agreed end date when the membership will resume. Indefinite suspensions are prohibited.
- 3.8. **Transfer of Membership:** A Primary member may transfer their membership to an existing Joint Member subject to their assuming the Primary membership fee. Such a transfer will only be permitted if the Joint member's fee is paid for the balance of the Commitment Period or notice period (as applicable). The Club requires at least 1 month's notice of any transfer request.
- 3.9. It is the responsibility of the member to inform the club if and when they turn 65. At this point the membership fee will be charged at the senior citizen rate. It is not the responsibility of UCS Active to monitor age changes. The discounted rate will only be applied from the moment the member informs the club in writing and cannot be backdated.
- 3.9.1. **Family Memberships:** Children under the age of 5 are free of charge if they are part of an Individual or Joint membership. It is the responsibility of the primary member to inform the club when the child/children turn 5 years of age.
- 3.9.2. **Student membership:** Eligibility for student rate membership is subject to the receipt of proof that they are in full time education. Part time education does not qualify for the student rate.
4. **Fees:**
- 4.1. The Membership Application form sets out the membership fee and joining fee payable on joining. If you pay membership fees monthly, they are payable in advance by direct debit. If you pay membership fees annually, they are payable in advance in the anniversary month.
- 4.1.1. All Direct Debits must be set up in the Head Members name, and charged against an account that a) accepts direct debit instructions & b) is a joint or single account under which the Head Member has authorisation to set up Direct Debits.
- 4.1.1.2. Any breach of point 4.1.1. will be deemed as providing materially false or misleading details as under point 3.2.4 above and we reserve the right to terminate the membership immediately. Where we suspect fraudulent activity we also reserve the right to contact the relevant authorities to investigate further.
- 4.2. We may appoint a payment processing agent to receive and collect your monthly or annual direct debit instalments and in respect of payments made by a debit/credit card. There will be no extra cost to you for these processing services supplied by such agent.
- 4.3. If your bank fails to make a due direct debit payment from your account, we (or our processing agent) will write to advise you

of this. We (or our processing agent) may apply to your bank for payment by direct debit for up to two times and we (or our processing agent) reserve the right to refer any missed payments to a debt collection agency. We may charge a fee for failed direct debit payments and/or letters sent to you in respect of unpaid amounts. If debit payments are missed and the balance isn't cleared we reserve the right to terminate the membership in line with point 3.2.3 above.

- 4.4. If your membership comes to an end, a joining fee will be payable on any renewal of membership.
- 4.5. Where there is any change in the status or membership category of any member, the fees applicable to that new status or category of membership will apply.
- 4.6. All Club membership fees and other fees are reviewed periodically and changes may occur at any time within the year (including during your commitment period). We will give you at least 1 months' notice of any changes to membership or course fees.
- 4.7. Primary and Joint members are jointly and severally responsible for each other's and all members' fees. Where Joint members' fees are paid by direct debit, they must be paid from the same bank account as that of the Primary member and, where we have appointed a direct debit processing agent under clause 4.2, will be subject to the direct debit processing fee charged by such agent as there described.
- 4.8. Upon joining, the Club will request photographic proof of identity (e.g. A Passport or Driving Licence) and also reserves the right to require satisfactory confirmation of

the name and address of any member and to restrict the amount of cash it will accept in settlement of fees or other amounts due.

5. Miscellaneous Fees:

- 5.1. We may charge a reasonable fee of up to £30 for any of the following: replacing lost membership cards, processing failed due direct debit payments, recovery of unpaid fees, removing or adding Joint members, changing membership category and transferring membership.

6. Club Rules:

- 6.1. As a member you must comply with the Club Rules, which relate principally to the use of the facilities and members' conduct. These will be displayed prominently in the Club premises and a copy will be supplied to you on joining. Further copies will be made available on request. We may (unless stated elsewhere in these terms) make reasonable changes to the Club Rules from time to time.

7. Use of Club Equipment and Facilities:

- 7.1. You will only be permitted to use the Club facilities provided that your membership is current and fully paid up or that you have made payment arrangements acceptable to the Club.
- 7.2. Details of the Club's current opening hours and facilities are displayed on notices at the Club. We may sometimes need to change opening hours or the facilities available, for example for maintenance or refurbishment. If we need to do this we will, wherever possible, display notices at the Club reasonably in advance. However, if we make a significant change to the opening hours and/or facilities available you may have

the right to cancel your membership under clause 8 of these terms. Members should be aware that University College School (UCS) requirements have precedence and that UCS Active facilities may occasionally be unavailable at short notice.
